

IVNNZ Inc. CVAD Workshop is Undergoing a Facelift for 2020!

Intravenous Nursing New Zealand Inc. is rejuvenating our CVAD workshops to assist you with the growing clinical needs and advancements in infusion technology and innovation.

The workshop has been extended to two days scheduled for the
18th and 19th September, 2020

Day 1 Basic CVAD theory and management covering all aspects of anatomy, insertion, care, maintenance, complications and clinical workstations

Day 2 Advanced clinical infusion practices - PICC insertion and ultrasound guided cannulation

It is not a requirement to attend both days.

Both days can be booked and attended independently of each other

Venue

Airport Holiday Inn, 2 Ascot Road, Airport Oaks
Auckland

\$50.00 /day members
\$100.00/day non members
Morning tea/lunch provided
